DECLARATION

NORMAN D. HANSON hereby declares as follows:

1. I am the attorney in charge of the above identified application.

2. I have reviewed the material presented in figures 6a-6d, 9 and 10 and in the specification and claims and have compared this information to the information presented in seq. id no: 1-7, inclusive, as presented in the accompanying diskette, and in the paper copy of what is presented thereon.

3. The paper copy was compared to the material discussed supra, and no new matter is believed to be presented thereon.

4. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
